

## 2023 Rubin Perpetual Memorial Scholarship Recipient's Thank You Stories Julia Swan – The Third of Four Future Church Workers

March 21, 2024

Dear CNH District and women of the LWML,

I am incredibly grateful to the LWML CNH women who manage the Rubin Scholarship funds and distribute them to students who need them. Their work does not go unnoticed and is always appreciated. Thank you so much for all the wonderful and thoughtful works you do for others.

I am an English-Secondary Education Major at Concordia University Irvine in the Lutheran Teaching Program. Having teachers as parents, I have become very passionate about teaching students in an impactful way so that they learn core values and implement them into their lives. I believe that combining a general education with the Word of God will be a benefit to all students and make their learning memorable and worthwhile.

Blessings,  
Julia Swan
