

GRANT #9

BIBLE STUDY BOOKS FOR CHINESE IMMIGRANT FAMILIES

\$7,000

Lutheran Heritage Foundation

There are more than a million Chinese living in California, 23,000 in Nevada and 27,000 in Hawaii, and most speak Chinese at home. CNH has 5 established Chinese outreach ministries. Our LCMS pastors and congregations have recognized the need to reach out to the Chinese with the Gospel of Jesus Christ, but the language barrier often hinders their ability to do so. This grant is for funds for Lutheran Heritage Foundation to translate, publish and distribute 3,000 colorfully-illustrated Bible storybooks that give a simple but thorough overview of 60 Old and New Testament Bible stories. The book *A Child's Garden of Bible Stories*, provides the tools to evangelize and teach new Christians in their native tongue – Chinese. The books will be given to ministries and families free.
