

GRANT #13

SOLDIERS OF THE CROSS

\$4,000

LCMS Disaster Response/Church & Community Engagement

Soldiers of the Cross is one of LCMS mercy programs that help faithful pastors, teachers and other church workers in financial or personal crisis. Many Pastors and church workers often face ongoing challenges during and after their careers to meet their most basic living expenses. Soldiers of the Cross provides transitional financial support for church workers who find themselves in financial crisis with no other avenue of support for necessities as food, medicine, insurance and shelter. This program responds to urgent financial challenges, typically a single payments alleviates the burden. Since Soldiers of the Cross depends solely on contribution as one of LCMS mercy programs, the grant is for its program funding.
