

GRANT #13

MISSION OUTREACH TO CHILDREN OF N/A SINGLE MOTHERS

\$3,120

First Lutheran Church, Yuba City, CA

First Lutheran in Yuba City has been hosting the meetings of Narcotics Anonymous for 2 years. They offer free child care to single mothers who attend the N/A meetings on Tuesday and Friday evenings. The mission program is to their children. While they are with the child care providers, they hear Bible stories, play games, receive a snack, do arts and crafts projects and generally enjoy a stress free time to be a child in a loving, safe environment, and experience the mercy and compassion of Christ. Generally, 5-14 children are served during the evening, which requires more than one care giver be present. To supplement the volunteers, part time help had to be hired. This grant will be used to fund part time staffing as the program grows.
