

2022 Steinbeck Scholarship Recipient's Thank You Stories Elizabeth Paul — The Thirteenth of Eighteen

Dear LWML CNH,

Thank you so much for your continued support of us missionary kids! This scholarship is a great blessing to me as I pursue a degree in Classical Studies and minors in Classical Pedagogy and Art at Concordia Wisconsin.

I was born on the mission field in Macau, and since then have moved back and forth between Taiwan and the Midwest. Shortly after I was born, my father served as a missionary in Taiwan for a year. After that, my father pursued his doctoral degree in St. Louis. Once that was completed, we moved to Evansville, IN where my father started a Chinese mission congregation. In 2014, we moved to Hsinchu, Taiwan, where my parents still live. My father serves as a theological educator, working on translation projects and assisting our partner church especially with training pastors and teaching.

In 2019, I left Taiwan to attend university at Concordia Wisconsin. I'm a senior now and will be teaching at a Classical Lutheran school next school year. I'm looking forward to being in the classroom and teaching children what is good, true, and beautiful, especially the truth, goodness, and beauty found in Christ and His saving work for us.

God's blessings on all the work that the Lord continues to do through you all.

In Christ,
Elizabeth Paul
