

The Seventh of Twelve
Juliette Lawson
2020 Steinbeck Scholarship Recipients

Dear LWML CNH,

My name is Juliette Lawson. I was born and raised in southwest Florida up until my junior year of high school. Through my first three years of high school I was a part of marching band, concert band, and theatre. I was also in the IB program and a girl scout from the age of three until 11th grade. For my senior year I moved to St. Petersburg, Russia because my dad was called to be a theological educator at a seminary just outside of the city. I attended the International Academy of Saint Petersburg (IA), which was a very big change since I moved from a high school with a couple thousand students to a K-12 school with less than 100 students and only two others in my class. While attending IA I joined model united nations, band, media club, yearbook team, and basketball. As a senior I also helped organize and run elementary chapel each week.

I am now attending Concordia University Chicago, attending classes online because I have stayed in Russia due to Covid-19. While taking classes I am also volunteering at my high school and helping with their elementary after-school program. My major at school is pre-pharmacy and right now I am planning on going on to pharmacy school after undergrad.

I would like to thank you for your generosity in providing this scholarship fund for both myself and other missionary kids. This scholarship is a great blessing for this upcoming semester, and I greatly appreciate it.

Blessings,
Juliette Lawson
