

## 2022 Steinbeck Scholarship Recipient's Thank You Stories

### Evan Magness — The Eighth of Eighteen

To the Lutheran Women's Missionary League of the California-Nevada-Hawaii District,

My name is Evan Magness and I'm a freshman at Concordia University Chicago studying Communications and Pre-Seminary. My father is a halftime missionary called by the LCMS Office of International Mission to francophone West Africa, as well as a few English-speaking countries. My family lives in the U.S while my father travels to Africa three times per year to teach hymnody and liturgy.

Thank you very much for selecting me to receive the Steinbeck Memorial Scholarship. There are always unexpected expenses in college, and this scholarship is going to help with covering those. For example, Kapelle, the choir I sing with at Concordia University Chicago, is going on tour this spring, so this money will help with tour costs. Once again, thank you for choosing me for this scholarship, and I pray God blesses you as you all have blessed me.

Evan Magness
