

BANNER DESIGN GUIDELINES

The banner procession at District Convention is a time of pride and joy both for the zones and the audience. Each banner is very special and unique and a beautiful expression of the convention theme. We are changing things up a little.

BANNER SPECIFICATIONS:

1. Finished banner size is to be 3' x 5'. Added fringe may be longer.
2. You **may** use the convention logo on your banner and base your design on the convention theme. You may use whatever colors you wish.
3. Your zone's number **MUST** be on the front of the banner. Use any size letters. The name of your zone is optional.
4. Please make sure that banner is stable and will not slip during procession and when on display during convention.
5. When designing the banner, remember that the banner will be carried into the convention and heavy or bulky items on the banner are discouraged.
- 6. You may use a quilt top as a banner.**
- 7. You may use an old Zone Banner, due to "What's My 80" the older the better.**
