

Gospel Outreach in Malaysia – Bible Radio Project

Women gather for small group Bible study to hear the Word of God in their own language from an audio Bible radio given by Lutheran Hour Ministries-Malaysia staff.

A Malaysian woman is grateful for the Bible radio she received. Many people hear the Gospel of Jesus Christ for the first time through the Bible radio project.

LHM-Malaysia staff shares strategies with pastors and leaders to equip them in sharing the Gospel. The most successful project is the audio Bible radio.

LHM-Malaysia distributed audio Bible radios to people who live in remote villages in the highlands of Malaysia.

An LHM-Malaysia volunteer delivered audio Bible radios to the Semai community in Malaysia.
