

GRANT #12

CHILDCARE SCHOLARSHIPS FOR HIGH SCHOOL PARENT

\$6,600

St. John's Lutheran Church, Fallon, NV

St John's has offered Christ centered tutoring and mentoring for academically at-risk high school parents for two years. The program is in partnership with Fallon's crisis pregnancy center (Care Net of Fallon), a faith based, pro-life organization. In addition to Bible studies and devotions at each session, those enrolled are required to attend Care Net counseling which teaches Biblical principles of reserving sex for marriage. As part of the program, high school mothers and fathers are offered scholarships for child care at St. John's Room to Grow Childcare Center and Pre-School. The scholarships present an opportunity for parents to have their children cared for in a Christ-centered facility of the LCMS while they pursue the completion of their high school education. Grant funds will provide 2 scholarships for childcare at St. John's Room to Grow.
