

GRANT #14

BLESSINGS FROM HEAVEN, PRESCHOOL ROOFING PROJECT

\$10,000

Messiah Lutheran Church, Ewa Beach, HI

Messiah Lutheran Church is seeking funds to help pay for the repair of the roof over the Blessings from Heaven Preschool. Constructed 59 years ago, a flat concrete roof was built, and in the years since, it has deteriorated so that, during times of heavy rain, water leaks into the classrooms. The preschool currently serves 40 children. The pastor of Messiah is involved at the preschool, conducting weekly chapels and providing materials for the teachers to use during the week. For many of the children, the only contact with Christianity is at the preschool. Messiah is embarking upon a new program of revitalization, and the preschool is a significant part of the church's future. The preschool is a very real and dynamic witness to the Gospel. Grant monies will be used to pay for the repair of the Blessings from Heaven Preschool roof.
