

GRANT #5

HMONG BIBLES AND CATECHISMS

\$6,300

Peace Lutheran Church

Sanger, CA

In 2008, through the efforts of Pastor Khai Lee and his wife Kaying, a group of leaders and Pastor Kou and his wife from Joy of Harvest Ministries, the Hmong ministry was established at Peace Lutheran Church. To promote unity within the Hmong communities, preserve Hmong traditions, support Hmong youth and offer Hmong entertainment, the Hmong New Year's Eve Celebration is held for a week at the Fresno fairground. Pastor Khai and Kaying use this opportunity to share the Gospel by distributing Hmong Bibles, Christian literature and information about worship services at Peace. To continue this tremendous outreach, this grant would provide Hmong Bibles. In addition, it would purchase Hmong Luther's Small Catechism to help in their confirmation classes of youth and adults.
