

GRANT #6

COMMUNITY CAFÉ RURAL OUTREACH: NOURISHING BODY AND SOUL

\$6,200

Our Savior's Lutheran Church LWML

Caruthers, CA

For over 3 years Our Savior's Lutheran LWML has contributed and volunteered in serving rural residents with meals, groceries and God's word at the Caruthers Community Café. The Café is a place to enjoy a warm meal, take a bag of staples home and for the families to interact. Café volunteers assist with resume writing, job placement and providing necessary clothing for an interview, job, school, Sunday school and church. Following weekly dinners, families and individuals pray together, share concerns and reach out to church families for support. Pastors are available to talk with or call. New Testaments (in Spanish and English) will be provided. To continue this mission of feeding the physical body and sharing the spiritual "nourishment" of God's Word, this grant will provide funds for dinners, grocery bags and the New Testament Bibles.
