

# LWML CNH CHRISTIAN LIFE LINE

## DECEMBER 2022

Cathey King - VP, Christian Life

When I sent out the November Christian Life Line, who knew I would spend the next 6 weeks being sicker than I have ever been in my life? As I continue to battle my irregular heartbeat, I continue to bask in God's love for me and in each activity that I am again able to do.

### Gifts

#### The One-Size-Fits-All Present

I love gifts! Everything about them. I love to buy them, give them, and receive them. Gifts is my love language. I can remember gifts received long ago and gifts given years ago. I remember my joy and the joy of others with each of those giftings. And I remember the love that I felt with each gift I received.

We have entered the Advent season of the church year. We are preparing to celebrate the birth of our Savior, Jesus Christ. No matter how you prepare your heart for Christmas, special prayer, worship services, personal study, we all buy gifts to share with others at Christmas time. Those gifts are meant to show others how much we love them. Whoever we are and whatever we have done, "For all have sinned and fall short of the glory of God" (Romans 3:23), everyone is loved by God. God gave us a Savior to redeem us from our sins and bring us home with Him to heaven someday.

While you share your gifts this year remember to rejoice in and give thanks for the one-size-fits-all gift given to everyone on that first Christmas - Jesus! For God so loved the world, that he gave his only Son, that whoever believes in him should not perish but have eternal life (John 3:16). He is our Savior, Redeemer, Example, and Best Friend.

I love you all and wish you a most blessed Christmas!
