

# LWML CNH CHRISTIAN LIFE LINE

## MARCH 2024

Cathey King - VP, Christian Life

**Greetings! Welcome to full-blown Lent! I hope you have found a Lenten Discipline that is enhancing your time this season. I am running on 'grace time' with my practices this year. Even so, when I use the time the way God has chosen for me, it is priceless! Anyway, on to this month's Life Line. Enjoy!**

### Talking with Jesus

Have you ever had a conversation with Jesus? No, I don't mean you prayed to Him, I mean you conversed with Him. It happened to me a couple of weeks ago! I was working on a particularly difficult craft project and I was getting edgy, to say the least. I said, "Lord, help me. I am anxious and frustrated." He said, "Relax and breathe, I am here to help." This went on for about a minute before I realized that Jesus was not actually speaking to me, but I was so tuned in to Him that I was the voice (yes, out loud!) for both speakers.

Later that day, I practiced being still. Psalm 46:10 tells us to **"Be still, and know that I am God. I will be exalted among the nations, I will be exalted in the earth!"** I took this to mean I should find a quiet spot with no distractions and pray and find out what God's plan was for me. As I sat and prayed, He reminded me of His great love for me and how Jesus redeemed me from sin, death, and the power of the devil. He led me to write this Life Line to share with you. He gave me strength and peace to deal with family issues that are stressful to me.

What can you learn from these two related experiences? Keep reading, studying, and learning the Bible, Jesus speaks from within the pages! **"And we know that the Son of God has come and has given us understanding, so that we may know him who is true; and we are in him who is true, in his Son Jesus Christ. He is the true God and eternal life."** Take time for God, be still, so He can share his love, strength, peace, and plan with you. Maybe one day you will be able to have a one-sided, two-sided conversation with Jesus! 1 John 5:20

Please let me know about your experiences talking with Jesus and being still. Thank you in advance. I love you all.
